Facts and Figures

Uganda is a nation of 30 million people. Many live with HIV/AIDS, malaria, TB, poverty, drought and malnutrition. The sick and helpless often die alone without even basic pain relief. AAI's **Safe Way Clinic** is meeting local health needs and conducting Mobile Medical Clinic's in rural areas. Children and widows receive help through sponsorship. Churches are planted, lives being transformed in IDP camps and rural Villages.

Kenya's population is around 34 million, many orphaned children need our help to survive and thrive. They live at subsistence level, vulnerable to disease and exploitation. Mercy Children's Home is an 'oasis of hope' for the children who have found protection and love there. We need your help.
